

Garden City Centennial Soccer Club

Dear Travel Team Player:

The Garden City Centennials will be holding their 23rd Annual Special **TRAVEL TEAM CAMP** over 4 consecutive days:

Monday, August 24th through Thursday August 27th from 5 p.m. to 7:30 p.m.

The site for this year's camp will once again be the **St. Paul's Athletic Complex**.

The camp sessions will be under the direction of Paul LeSueur, a former professional player and coach, college and club coach, USSF certified coach who was recently inducted into the Long Island Soccer Hall of Fame. Mr. LeSueur is also the director of the CAPT program for the GC Centennials. Other coaching staff will include current LIJSL Club coaches, collegiate and high school coaches all with significant coaching and playing experience.

The cost for this special clinic is \$ 90.00. Players will receive advanced level of instruction in technical ball skills and game tactics. **All training sessions include full field games versus other travel teams to help your players gain a better understanding of both Offensive and Defensive positioning.** Special Goalkeeper instruction focused on catching, diving skills and positioning is also provided with an emphasis on GK safe playing techniques when challenging for ground and air balls.

Each player must bring their own soccer ball, shin guards, molded cleats, training shoes or sneakers to each session. Players should wear appropriate competitive soccer attire. It is strongly recommended that each player bring a water bottle and/or sports drink to properly hydrate themselves during designated breaks. Be advised that we will provide several additional water containers for players to refill their bottles when necessary.
