WONDERS**

## Winston Wonders????..... Is This Like The moon???

So Mom seemed ready for a new adventure. She packed all sorts of gear into the car and even brought some things to eat...sounds good to me! I helped her out to the car and thought it would be good to add my ball and on another trip, my squishy alligator, and on another, the play alone two handled ropey thing...Mom put them all in the car...that was really something and very notable, very unusual. Mom said "This cooler is for you Winnie!" and although it was small, I felt thankful for Mom and appreciated that she thought of me.

So then Mom got this big rolling thing out of the garage and put it in the back of the car...never saw it before but as all dogs know, people are very mysterious. After that, we got into the car and away we went.

# ROYAL CANIN

## Dry Dog & Cat Food Blowout

At Royal Canin, we live by the conviction that pets are not people; they are unique animals with unique nutritional needs that are distinctly different from our own. Through extensive research, we have identified these needs and created a complete line of premium Health Nutrition specifically formulated for cats and dogs – large or small, young or old, purebred or mixed breed. Because we know that only by feeding the best quality nutrition can we truly help pets stay as healthy and beautiful as possible.

**WINSTON'S WELL-BEING**

**Yikes... Hitchhikers!**

How this happened, I don't know... maybe the walk in the woods, maybe from the neighbors cat that jumped into our yard that I chased away because he didn't belong here, maybe that very scary trip to the dog pen, umm, park... however, whatever...I have fleas...

In all honesty, I am so embarrassed... Mom said no worries, there is plenty we can do to send them packing, keep them way gone and, she said, these days everybody has them...maybe because of the weather being so weird. Still, it's hard to swallow being a ...host.
