# ROYAL CANIN

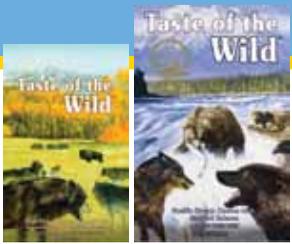

## Dry Dog & Cat Food Blowout

At Royal Canin, we live by the conviction that pets are not people; they are unique animals with unique nutritional needs that are distinctly different from our own. Through extensive research, we have identified these needs and created a complete line of premium Health Nutrition specifically formulated for cats and dogs – large or small, young or old, purebred or mixed breed. Because we know that only by feeding the best quality nutrition can we truly help pets stay as healthy and beautiful as possible.
