WONDERS**

Winston Wonders... Where are they going???????

Everyone was pretty busy around here, new clothes, new books, new paper and pencils...lots of excitement about "going back". Going back to what?? Nothing seemed the same but nothing was really different. I didn't really get it but what the heck, people are hard to figure out most of the time...they want you to do things and change their minds just like that...

Mom was preparing lunch in the nighttime...no snacks for me but plenty of choices tucked into that thingy the young one carries around sometimes...
