Expert-approved **CURRICULUM** aligned with NYS early learning standards

### What experience does Soccer Shots have teaching kids this age?

For over 10 years Soccer Shots has designed a specific curriculum for 2-7 year olds, coaching over 1 million kids. Ultimately, our goal is for your child to cultivate a love for soccer and fitness. We are firm believers that in each session a child is capable of learning something new about soccer while having a blast.

### What happens if a session is cancelled due to inclement weather?

During the course of the season, Soccer Shots attempts to make up all missed sessions. We either add an additional week or choose a make-up day.

### How do I know if a session is cancelled?

We post up-to-date weather information including session postponements or cancellations via our Facebook page (Soccer Shots Long Island West), the email you used to enroll your child and a text message. Weather updates will be posted 1.5 hours prior to the start of each class as circumstances permit.

## CELEBRATE YOUR BIRTHDAY WITH US!
