TO HELP YOUR BUSINESS TOMORROW !

**Are you having a hard time getting funding from banks, small business loans or venture capital?**

EVO Platinum Services can provide you with the cash you need fast!  
We are a credit card payment processing company that provides merchants with fast cash advances based on future credit card transactions.

**It's easy to apply for a merchant cash advance**

Your cash advance is based on future anticipated credit card processing volume. There are no fixed monthly payments. Instead a portion of your monthly credit card transactions is deducted until your advance is paid back.

**Here are some reasons to apply today:**

- Your approval chances are MUCH HIGHER as compared to other sources of funding.
- No collateral required.
- Fast cash- Funds are usually available within 5-7 business days.
- No fixed payment amount.
- No fixed payment schedule.
- Repayment is made through a small % of your future credit card payment receipts.
- As you pay back your initial advance, more cash becomes available for additional advances.
- No traditional personal guarantee required.
- The cash you receive is not reported to any credit agencies.
- Approval is **not conditional** upon high credit score.

**MERCHANT CASH ADVANCE,  
A SMALL BUSINESS LOAN ALTERNATIVE**

Any business requires funds for various activities aimed at increasing the profitability of organization and increasing the customer base. Though funds are largely available to established enterprises, merchants and small businesses have to weigh their options before selecting an appropriate funding method that meets their requirements adequately without enchasing on their need.
