Garden City Basketball

Info for the 2009-2010 Basketball Season

We hope that you have had a fun and relaxing summer!

The focus of Garden City Basketball is our intramural program. Our greater mission is to provide a wonderful experience for all of our participants so that a love of the life long game of basketball will be nurtured and grow.

Our goal is simply to have a great program that is our version of fun for children.

The regular intramural game day season is expected to **start Saturday, December 5th** and run through March 2010.

Skill development is important and **Garden City Basketball** has some of the best clinics that you can find. Our Saturday clinic for Kindergarten, 1st and 2nd Grader's is highly regarded by professionals and we are proud to announce is a model for other programs around the country. The focus at our clinics is on skills, drills, development, and fun. We held 6 clinics for each of our 3rd grade through 7th grade participants (that's **NINE hours** of instruction) last season. Our K-1-2 clinic supplied over **TWENTY FOUR hours** of instruction! We believe that **Garden City Basketball** is second to none in the quality and amount of training we fairly allocate to our participants. For our weeknight clinics, we utilize AAU/Island Garden Instructors, as well as Garden City High School, Christ the King, and Chaminade players.

Our **\$50 fee** remains the same. Our organization doesn't believe in charging a late fee. However, we are ordering uniforms in October and teams are formed in November, so please help our planning by registering now. The recreation department does allocate space based upon enrollment, signing up now makes sure you are counted.

It goes without saying, volunteers are always needed. If you would like to help in any way...just let us know and we'll get you into the mix. Everyone appreciates the coaches but it is the parents that help setup, bring the coffee, take down the banners, provide assistance to participants, and more that also makes **Garden City Basketball** a great program.

The birth of **Garden City Basketball** created an organization focused solely on basketball. We have raised the bar and have injected activity, effort, and excitement for the sport of youth basketball in our village.

Garden City Basketball is a proud member of the **JrNBA/JrWNBA** and **Amateur Athletic Union**.

We believe that Garden City Basketball has the vision, dedication, and sets the standard for youth basketball in the village of Garden City.

Please visit www.gardencitybasketball.org to obtain more information on our program.

You may register online or use the application on the other side of this document. **REGISTER TODAY !!**

We look forward to you and your child being a part of our program.
