Garden City Basketball

Info for the 2010-2011 Basketball Season

We hope that you will have a fun and relaxing summer!

The focus of Garden City Basketball is our intramural program. This Garden City Basketball's seventh season and our mission remains the same - to provide a wonderful experience for all of our participants so that a love of the life long game of basketball will be nurtured and grow. We have raised the bar and have injected activity, effort, and excitement for the sport of youth basketball in our village.

Our goal is simply to have a great program that is our version of fun for children. No tension and No pressure.

The **Garden City Basketball** program is expected to have an 8am Saturday start time for our K-1-2 Clinic. For the coming season, the other parts of our program are expected to be in the morning after our clinic.

The regular intramural game day season is expected to **start Saturday, December 4th** and run through March 2011.

Skill development is important and **Garden City Basketball** offers the best basketball instruction that you can find for your child. Our Saturday clinic for Kindergarten, 1st and 2nd Grader's is highly regarded by professionals and we are proud to announce is a model for other youth programs around the country. The focus at our clinics is on skills, drills, development, and fun. Our K-1-2 clinic typically supplies almost **thirty hours** of instruction! We typically host at least 10 sessions for each of our 3rd grade through 7th grade participants (that's over **twelve hours** of instruction). We believe that **Garden City Basketball** is second to none in the quality and amount of training we fairly allocate to our participants. For our clinics, we utilize AAU/Island Garden Instructors, as well as the Garden City High School, Christ the King, and Chaminade players.

Our organization doesn't believe in charging a late fee. However, we order uniforms for all participants in October, so please help our planning by registering now. The Village allocates space based upon enrollment, so signing up now makes sure you are counted and that our program receives its fair share of valuable village resources.

It goes without saying, volunteers are always needed. If you would like to help in any way...please let us know and we'll get you into the mix. Everyone appreciates the coaches but it is the parents that help setup, bring the coffee, take down the banners and provide assistance to participants that **Garden City Basketball** a great program.

Garden City Basketball is a proud member of the **JrNBA/JrWNBA** and **Amateur Athletic Union**.

We believe that Garden City Basketball has the vision, volunteers and dedicated coaches, and sets the highest standard for youth basketball in the village of Garden City.

Please visit www.gardencitybasketball.org to obtain more information on our program.

You may register online or use the application on the other side of this document. **REGISTER TODAY !!**

We look forward to you and your child being a part of our program.
