

BAGELICIOUS

It's the time of year to say thanks to your family, friends, neighbors, and co-workers!

The best way to do so is through Bagelicious catering!

Let us prepare your custom gift platters including cookie, smoked fish, and cream cheese platters, hot food dishes, and tossed salads.

We can deliver your custom platters for you locally. Platters will include a holiday note card, on which you can express your thanks.
