

Pixie Dust

“Where Little Dreams Happen”

A day on the grass

Every little person will receive full VIP service. For an hour and a half, your little fairy is always complimentary, from a fun full twist of glitter in her hair to dressing up in fairy wings and matching pearls. Twist and shout with a hula hoop, tug-of-war, jump in your bean bag or simply play in the grass! Your glittery pixie dust will be filled in keepsake jars, making sure that each child receives her certificate to fly. Glittery tattoos and sparkling nails will follow a fun filled day on the grass. Pizza will be served in the garden on a table dressed for all little fairies to eat, with homemade lemonade from our stand. Our days in the garden will end with a Celebration bringing many wishes with homemade whimsical cupcakes for everyone to enjoy.

Pixie Dust loves to serve candy from our wagon for all little ones. Each child receives a bag full of delightful choices.
