

INC. VILLAGE OF ISLANND PARK

LOCAL LAW 5 OF 2016

Local Law 5 of the year 2016 entitled Fire Sprinkler System.

Be it enacted by the Board of Trustees of the Inc. Village of Island Park as follows:

1. Purpose
New York State Code requires sprinkler systems in all three (3) story residential dwellings.
2. Procedure
 - a. Fill out the Fire Sprinkler Permit Application and submit two (2) copies of the Sprinkler Installation Plans stamped and sealed by a licensed professional architect or engineer.
 - b. Fire Sprinkler Permit Application must be approved by the Chief Building Inspector.
 - c. To be certified Post-Installation affidavit required by said licensed professional.
3. Required Documents
 - a. Fire Sprinkler Application
 - b. Two (2) copies of the Sprinkler Installation Plans stamped and sealed by a licensed professional, architect or engineer.
 - c. Plumber or Sprinkler Contractor must be licensed within the Inc. Village of Island Park.
4. Fees
 - a. Sixty dollars (\$60.00) for the first thousand dollars (\$1,000.00) of sprinkler installation cost.
 - b. Fifteen dollars (\$15.00) for each additional thousand dollars (\$1,000.00) of sprinkler installation cost.
