Island Park, New York 11558

LOCAL LAW 1 OF 2017

Local Law 1 of 2017 amending Law 23 of 2016, Building Construction Administration, Section 51-G-8, Applications for a Permit, with the addition of the following:

A. (3) Construction fencing, defined as six foot high chain link fence, must be installed at construction work sites that are unoccupied during construction and at locations as directed by the Building Inspector. Failure to comply with any provision of this Section will be deemed a violation punishable in accordance with Section 51-G-22 Penalties for Offenses.
