

VILLAGE OF ISLAND PARK
LOCAL LAW NO. 1 OF 1994

A local law Regulating Garbage, Refuse, Recycling and Composting within the Village of
Island Park

Be it enacted by the Board of Trustees of the Village of Island Park as follows:

Section 1. (Uncovered Garbage) It shall be unlawful to place or permit to remain anywhere in the Village any garbage, or other material subject to decay other than leaves or grass excepting in a tightly covered refuse container.

Section 2. (Windblown Refuse) It shall be unlawful to cause or permit to accumulate any dust, ashes, or refuse of such material that it can be blown away by the wind anywhere in the Village except in a covered container.

Section 3. (Deposits on Streets) It shall be unlawful to deposit or permit to fall from any vehicle any garbage, refuse or ashes on any public street or sidewalk in the Village, provided, that this section shall not be construed to prohibit placing garbage, refuse or ashes in a container complying with the provisions of this local law preparatory to having such material collected and disposed of in the manners provided herein.

Section 4. (consent of Board of Trustees) It shall be unlawful to dump or place any garbage, refuse, ashes, recycling, composting or bulk on any premises in the Village without the consent of the Board of Trustees.

Section 5. (Recycling) It shall be unlawful to place or permit reusable and recyclable material to be combined with regular garbage or composting. All reusable and recyclable materials shall include but not be limited to newspapers, glass (clear and colored) metal cans and plastic containers from food, beverages, detergents, milk and non-toxic household cleaners.

Section 6. (Composting) It shall be unlawful to place or permit composting material to be combined with regular garbage or recycling material. Composting material shall consist of leaves, grass, brush, stumps, twigs and branches. Stumps, logs, branches, twigs and shrubs shall, be tied in bundles up to four feet in length and not to exceed 75

pounds.

Section 7. (Bulk) It shall be unlawful to place or permit to be placed bulk material on the street except on the days specified in Section 9 of this law. Bulk material shall include, but not be limited to, furniture, mattresses, refrigerators, washers, dryers, stoves, air conditioners and other bulky items and metal as determined by the superintendent of Public Works.

Section 8. (Districts) For the purpose of this local law, the Village is divided into districts as follows:

A District - That section of the Village located west of Long Beach Road.

B District - That section of the Village located east of Long Beach Road.

C District - That section of Long Beach Road from the intersection of Long Beach Road and Parkway south to the Village line.

Section 9. (Collection by the Village) The Superintendent of Public Works shall have charge of the collection of garbage, refuse, ashes, composting and recycling in the Village. The collection shall be made from all premises as follows

Regular Garbage:

A District - Tuesdays and Fridays, except Holidays

B District - Tuesdays and Fridays, except Holidays

C District - Mondays, Wednesdays, and Fridays, except Holidays.

Recycling:

A District – Wednesdays, except Holidays

B District – Thursday, except Holidays

C District - Wednesdays, except Holidays

Composting:

All Districts – Mondays, except Holidays

Bulk:

All Districts – Tuesdays and Fridays, except Holidays

The Superintendent of Public Works shall determine on which legal holidays there shall be no collection. In such cases, collection shall be made on subsequent days.

Section 10. (Containers) All garbage and refuse for collection by the Village shall be placed in refuse containers equipped with a cover and equipped with handles so that they may be lifted and carried by one man. No such containers shall have a capacity of more than 30 gallons or shall be filled so that the total weight, including the container, exceeds 75 pounds. All reusable and recyclable materials must be cleaned and placed in a recycle container provided by the Village. It shall be the responsibility of each resident to keep containers in as clean a condition as possible and to keep covers on containers at all times.

Section 11. (Building Material) Building material or other refuse caused by construction shall be disposed of by the builder or contractor at his expense.

Section 12. (Hours of Collection) Garbage and other refuse shall be placed at the curb for collection before 6 A.M. in "A" and "B" Districts, and not before 8 A.M. in "C" District. Containers properly covered with a secure lid may be put out the night before collection, but not earlier than 7:00 P.M. It shall be unlawful to allow containers to remain at the curb for an unreasonable length of time following collection. In the event that collection is missed by any resident, containers must be removed from the curb until the next regularly scheduled collection day.

Section 13. (Limitation of Amounts) Whenever the collection of garbage from any establishment or place shall exceed the normal amount for such a place, the superintendent of Public Works shall recommend to the Board of Trustees the establishment of a special fee for such collection.

Section 14. (Penalties) Any person, persons, firm, association or corporation violating any of the provisions of this local law shall be liable for and pay a fine of not less than Twenty-Five (\$25) Dollars nor more than Two Hundred Fifty (\$250) Dollars for each violation thereof, and any violation of this local law or any part thereof shall constitute

disorderly conduct; and any person so violating any provision of this local law or any part thereof shall be and is hereby declared a disorderly person.

Section 15. Ordinance No. 5A is hereby repealed.

Section 16. This local law shall take effect upon filing with the Secretary of State.
