

TOWN OF HEMPSTEAD 2016 TIDE TABLE

Dear Friends,

The Town of Hempstead's 17,000 acres of beautiful wetlands and 180 miles of pristine coastal waterways are a large part what makes our township such a great place in which to live, work and raise a family.

The town Department of Conservation and Waterways is committed to maintaining the beauty of these areas, which include ocean water, bays and canals. Working in partnership with the town's Bay Constables, we strictly enforce local conservation and navigation laws, ensuring smooth sailing for fishers and recreational boaters.

For your reference, we have provided a tide table for local waterways. For more information, please call the Department of Conservation and Waterways at (516) 897-4100, (516) 431-9200 or visit www.TOH.LI.

I am confident that you will find this guide to be a valuable resource as you sail along Hempstead Town waterways.

Sincerely,

Anthony J. Santino
